

Accounts

User groups

If you are a forums members with more than 5 posts as of 02/2016 you automatically have an account here with **Tech** status (edit, approve and create rights) or **Publisher** status (edit, approve, create and delete rights). You wiki password has been sent by email. If you are a new user registered after 02/01/2016, you are automatically placed in the **User** group, which only has edit rights. When we see you are active on the wiki and that you are not a troll/spammer/bot, you will be placed in the **Tech** group. An additional probation period and proof of activity is necessary to be in the **Publisher** group.
